

Dear Valued DIRAK Customer,

DIRAK is committed to providing quality, innovative hardware solutions which are manufactured with our customer's safety and environmental responsibility in mind. This letter serves as a declaration that DIRAK products comply with California Proposition 65 otherwise known as the Safe Drinking Water and Toxic Enforcement Act of 1986. This legislation prohibits any persons conducting business which will knowingly discharge or release any chemical known to the State of California to be responsible for causing cancer, birth defects or reproductive harm.

More information can be found here: [Proposition 65 Information](#).

Based on the information supplied to DIRAK by its vendors and manufacturing facilities none of the products DIRAK provides contain any of the chemicals listed under the Proposition 65 legislation as listed here: [Proposition 65 Chemical List](#). Currently, this information has not been verified by any third party. If any new information is obtained by DIRAK which requires changes to the contents of this declaration, updates will be made. Please note that DIRAK cannot guarantee compliance if any of the products supplied are modified, processed or stored in an uncontrolled environment for extended periods of time.

If you have any questions or concerns, please reference the links above or contact us at info@dirak.de. Thank you for working with DIRAK, we look forward to the continued opportunity to support your efforts and exceed expectations.

Sincerely,

Jens Boche
Global Operations Manager
