For our customers

September 2023

**Ref: Your request regarding FMD (Full Material Disclosures) for DIRAK products**

Dear DIRAK customer,

DIRAK is committed to providing quality, innovative hardware solutions which are manufactured with our customer's safety and environmental responsibility in mind.

We are producing worldwide with several production sites to guarantee a high delivery capacity. To ensure this supply capability we are working with high flexibility regarding procurement of materials and supplier selection to satisfy our customer needs in the segment of cabinet and enclosure construction.

DIRAK is not a certified automotive supplier. Based on this situation and the fact that product modification for our standard DIRAK assortment remain reserved we are not able to deliver Full Material Disclosures (FMD).

This letter answers all customer request regarding FMD and replaces customized questionnaires. We apologize for any inconvenience which may be caused by this general reply.

With kind regards

**DIRAK GmbH**
